

AEROCHEM

TECHNICAL DATA SHEET

AEROPHOS BT™ **Degreaser Discaler**

DESCRIPTION

Special blend that removes scale, rust, carbon, stains and degreases all metal surfaces in one easy operation, therefore eliminating use of solvents and/or sandblasting. The parts treated are therefore passivated and may remain for weeks without protection, leaving no traces of oxides. Furthermore it helps paint adherence to metal and prevents future rusting. Excellent for restoring electrical components from corrosion formation on the contact faces, it is recommended to neutralize our **AEROPHOS BT** with the **NEUTRALISANT BT**.

METHOD

USING CLEANING GUN: Mix 1 part of **AEROPHOS BT** to 4 to 6 parts water and vary the proportion by adjusting the mixing valve from 1 to 6 ratio. Let the solution stand for 15 to 20 minutes then flush clean with cold water.

USING BRUSH, SPONGE OR SOAKING: Mix your solution 1 part of **AEROPHOS BT** to 4 to 6 parts water in a plastic pail. Apply, brush and rinse with cold water.

ELECTRICAL PARTS: Mix 1 part **AEROPHOS BT** to 5 parts of water in a plastic container. Wet all surfaces, let stand for 10 minutes can be brushed, then rinse with cold water. Repeat if needed. When your circuits are restored, apply pure **NEUTRALISANT BT** on surface and let it stand for 5 minutes before rinsing with clear water and dry thoroughly. Use pure and let the solution stand for 5 minutes on surfaces to remove rust and cement from cement mixer.

FEATURES

- Powerful discaler.
- Concentrated formula.
- Safe to use.
- No particular odour.
- Good wetting agent.
- EVALUATED AND REGISTERED PRODUCT FOR FOOD INDUSTRY.

INFORMATION

In its original intact packaging, the product can be kept for 1 year.
For storage and handling refer to the Safety Data Sheet SDS.

FORMAT	PART #	CHARACTERISTICS	
Aerosol	N/D - N/A	Boiling Point	50°C - 100°C
500 mL	N/D - N/A	Density (water=1)	1.13
4 L	N/D - N/A	pH	1.1
20 L	FLAEROBT20LT	Water solubility	Complete
205 L	FLAEROBT205LT	Percent Volatile	99%
1000 L	N/D - N/A	Appearance & odour	Clear yellow liquid / Pungent odour
